The Kailee adjustable stool brings together beautifully crafted leather, tone-on-tone stitch upholstery, with understated brushed stainless steel, for comfort and style. A slim rectangular wrap-around fixed foot rest, in brushed stainless steel, matching the hydraulic base, rounds out the Kailees low key urban feel. Pivoting 360 degrees, the Kailee adjusts up and down with the simple squeeze of a discreet hand lever placed within easy reach under the bar seat, accommodating bar height, counter and dining positions. Clean, elegant, adjustable.
