Price: \$3,499.00

	Height	Width	Depth
Overall	31.00	80.00	14.00

Sourcing beautiful root consoles is our passion, and when we find a spectacular piece, we have it cast in artisan-grade resin so we can continue to carry it, as well as employ various finishes. This console is finished on both sides, making it functional against clear glass or used as a room divider.
