Place yourself on the pedestal of experience with the Morgan Wood and Iron Metal Bar Stool. Morgan Bar Stool is an envisioned industrial modern counter stool that secures bygone moments into a calming version of the present. Constructed of solid pine wood and a cast iron stand with foot ring, blend together the richness of rustic farmhouse decor with the contrasting elements of industrial modern style. Morgan Bar Stool will be the focus of attention by friends, family and other guests as they perch on this accent piece in your kitchen, counter, dining room, or bar area seating.
