Regular Price: \$1,515.00
Special Price: \$1,212.00

	Height	Width	Depth
Overall	77.00	104.00	12.00

Inspired by TemaHome’s previous collections, Delta was born after thorough research in the company’s archives. As such, the Delta shelving unit adds a dynamic flair to the collection, and its surprising diagonal lines still offer plenty of storage space. The Delta shelves break out of the traditional into something much more exciting. The unit without backs is suggested for only decorative objects. In order to load it up with anything you can think of, it is strongly recommended purchasing the unit with backs.
