Barca lounge chair makes a sleek, urban statement wherever it is placed in the home. The chair’s tufted seat and back cushions appear to float in the sculptural “X” stainless steel base. Barca measures 30.5 inches wide, which makes it an ideal lounge seat for quiet relaxation, browsing on a mobile device, or conversing with guests. Both the Barca chair and ottoman are available in faux leather in a choice of two colors: Distressed Black or Distressed Caramel. Fully assembled.
