BLOCK TEAK ROOT COFFEE TABLE
Organic / Natural Character
Price: \$1,300.00

	Height	Width	Depth
Overall	16.00	47.00	31.00

Pieced together from reclaimed slabs and chunks of solid teak wood finished a natural finish with exquisite craftsmanship. Artisans build each bench like a puzzle, fitting each piece together combinations that are never duplicated. Like true works of art, no two will be exactly alike. Measuring 47” length, each rectangular coffee table is perfectly sized to complement any living room or sitting area.
