Gaining inspiration from true modern classic design, our Paris-Bar barstools are constructed from molded ABS plastic in a matte finish with sturdy yet slender natural finished solid wood dowel legs with a black powder coated cross style frame. These stools are not only stylish but functional as well. Available in black, white, orange, red, blue, brown and green with natural finished legs. Also available in white and black with walnut finished legs. Sold in increments of 2 chairs per carton.
