Carved Panel Sconce
Price: \$787.50

	Height	Width	Depth
Overall	58.00	10.00	10.00

Textured and exuding a regal appeal, the Carved Panel Sconce evokes an aspirational charm. The aged whitewash finish of the quatrefoil-patterned wooden panel perfectly pairs with the rustic blackened iron arm, and an oatmeal shade completes the design. The sconce comes with a corded plug, but it can be easily converted into a direct wire if desired.
