You'll add a bold and dramatic note to any room with the eye catching Zulu family of lighting. The design features a unique shade with six rounded edges over a circular fixture for a singular look. The Zulu lighting design has elements of Pop Art appeal and will add a distinctive finish to any contemporary room from the kitchen to the bedroom and back to the living and dining rooms. Custom colour options include black and red shades in addition to neutral white for pendant lighting that adds much more than light to your home. 3 Light Zulu Pendant with White Shade, Polished Chrome Finish
