The Eos is fashioned from thousands of recycled goose feathers, each meticulously hand-sewn onto its spherical core. This downy orb radiates a soft, ambient light, making a statement wherever it resides. Even when not illuminated, the Eos is mesmerizing; a true collaboration of craftsmanship and artwork. Produced in three colors -- white, light grey, and light brown -- and six sizes -- Micro, Mini, Medium, Large, X-Large, and XX-Large -- as well as a variety of combinations, such as pendant, table lamp, floor lamp, and hanging wall lamp. Cleans easily with a hair dryer.
