The Reader armchair has been designed as a place for letting your body sink into and relax. The armchair's special curved shell is inspired by traditional Danish crafting techniques and helps to reduce surrounding noise, offering a place of shelter and reflection. With its light form and bold organic curves, The Reader is a standout design piece in any setting and just right for enjoying a good book or engaging conversation. The upholstery itself is easily replaceable with interchangeable cushions letting you decide when you want to change and update the armchair's look.
