Solid and sturdy, this solid Acacia Holbrook Sideboard is 68" long with an Antiqued finish solid Acacia wood body and black Iron base. Each of the four doors has in inlayed reflective herringbone pattern that's striking to the eye. The inside two doors butterfly open to a large storage space with two built in shelves and 2 small cubbies for added utility with 2 smaller cabinet spaces on the outside each with two built-in shelves. Each door has a sleek long iron handle virtually hidden flush with the surface of the top. The Holbrook sideboard will add style and function to any room.
