Brighten the décor in your room with the Rikku Sideboard. Made from solid reclaimed Elm wood with Iron accents, this stunning piece stretches 79" long. The Rikku has two sets of butterfly doors with a carved burst pattern that radiates from the center handles. Inside the large cabinet interiors, they have large built-in shelves for additional storage. Finished in a natural medium wood and accented with iron handles and base in a muted gunmetal, this piece adds timeless beauty to any room.
