The Harstad sideboard is a hand carved textured marvel. Crafted of solid reclaimed Pine wood and finished in a warm light brown wash, this 73" cabinet is full of storage options hidden behind beautiful door and drawer panels. Three generous sized drawers run up the center of the sideboard while two doors rest on the outsides of the cabinet. Inside the door you'll find a built-in shelf for added storage. The Harstad is on a solid iron base in matte grey that is made to be as timeless as the look of this beautiful sideboard.
