Mobias Table Lamp 16" High

Organic / Natural Character

Price: $158.66

	Height	Width	Depth
Overall	16.00	11.00	11.00

Crafted in Indonesia with a natural rattan and wire frame and rope handle, this lantern-style lamp showcases the ethereal beauty of the capiz shell. Harvested locally for the edible mollusk it contains, the iridescent shell is then used in handicrafts to reduce waste. Available in two sizes, the lamp’s inner parchment shade diffuses the light to gently shimmer through the semi-translucent exterior shade and add global charm to your space.
