Soak in warm sunshine and good weather with the Creation Outdoor Patio Chaise Lounge Chair. A contemporary update to your outdoor living area, this outdoor lounge chair comes complete with a powder-coated aluminum frame wrapped in UV-resistant synthetic wicker rattan. Sit back and relax as you choose from a range of reclined seating positions with an optional footrest that easily slides in and out from the seat base. Creation is outfitted with densely padded foam cushions covered in all-weather fabric covers that offer a serene lounging experience. Designed for the backyard, patio, sunroom, porch, or poolside, this outdoor chaise lounge chair boasts a beautiful texture, comfortable cushions, and a fresh, modern aesthetic that instantly updates your outdoor space. Easily folds for compact storage when not in use. Weight Capacity: 330 lbs. Set Includes: One - Creation Chaise Lounge Chair
