Introduce an elegant backdrop for your master suite or guest bedroom with the Newcombe Queen Upholstered Fabric Platform Bed. An impressive modern bed brimming with timeless appeal, Newcombe features soft polyester fabric upholstery over a densely padded foam sideboard, footboard, and queen headboard. Complete with side wall panels for premium comfort and relaxation, this modern queen bed rests atop black-stained wood legs with non-marking foot caps. Adorned by timeless biscuit tufting, Newcombe has a sturdy wood slat support system with a reinforced center beam that eliminates the need for a box spring. Newcombe is a luxurious mattress foundation for memory foam, innerspring, latex, and hybrid mattresses. Bed Weight Capacity: 1322 lbs. Set Includes: One - Primrose Queen Platform Bed
