Ripples in time, portals through space, celebrate unity in every place. Engage modernism, motion, progress, minimalism and positive pursuits with an endless design that imbues your décor with a sense of natural fluidity. Kellem is a stool that can also double as a side table or multi-purpose accent piece of exceptional appeal. Made of polypropylene plastic, and designed with a convenient storage space, Kellem does not require assembly and compliments either indoor or outdoor areas. Set Includes: One - Kellem Stool
