Lounge in style with Engage. A versatile addition to a family room, apartment, office, or small living space, Engage is a cozy modern sofa made with dense foam padding, and upholstered in soft polyester fabric. Rounded cushion corners and complementing accent pillows grant this sofa a contemporary look that's echoed by its calming color, streamlined profile, and subtle wood legs. Say goodbye to the days of hauling heavy furniture. Engage offers modern-day convenience as it ships directly to your home or apartment in a portable, compact box. With a casual yet tailored aesthetic, this living room sofa easily unpacks to become a favorite lounge spot in your home. Sofa Weight Capacity: 1102 lbs. Set Includes: One - Engage Sofa
