LARSON SIDEBOARD

*Organic / Natural Character*

Price: \$3,487.50

	Height	Width	Depth
Overall	33.00	79.00	18.00

Simple, understated, and unique, the Larson sideboard is 79" a modern industrial beauty made of solid oak with accents of iron. This piece is sealed an antique natural wood finish to show the original color and grain of the hardwood. Storage is no problem for the Larson with two sets of butterfly doors that each open to large compartments with a long built-in shelf for added storage.
